About Beechworth Ghost Tours

In early 2008 historic guided walking tours started at the former Mayday Hills Asylum in the grounds of La Trobe University at Beechworth. In the mid 1860's Beechworth's Mayday Hills Hospital, was developed as the Beechworth Lunatic Asylum.

A 1.5 hour discovery tour reveals what life was like living in such an institution in those times. Parts of the tour take you deep inside buildings that have been closed for more than 30 years. Your tour guide will give a fascinating history of this establishment and some spine-tingling stories that may have your imagination working overtime!
Tours leave nightly after dusk.

Alongside families, couples and individuals, our packages have great appeal for special groups such as hen's parties and reunion groups. Children under the age of 8 are not recommended to go on the tour. On-site babysitting is offered at our motel for younger aged children.
